## EDITOR'S NOTE

Most of the judgements collected in this edition *Diálogo Jurisprudencial* appear here transcribed in their entirety. However, several are given in extract form only, along with an explanatory note, because the original documents were too lengthy for inclusion.

Footnote citations and other references to judgements or sentences are given just as they appear in the transcription.

The judgements published herein are given in the languages in which they were written, along with a synopsis in Spanish and English. The full text of the judgements may be found in a compact disc attached to this issue of the *revista*.
